PEOPLESOFT LEARNING ASSISTANT

Get instant answers to your PeopleSoft questions with intelligent, on-demand guidance

The PeopleSoft Learning Assistant transforms how your team finds answers and learns PeopleSoft. Built on Mythics' comprehensive All-Access Learning Pass training library and Oracle Guided Learning content, this intelligent assistant provides immediate, accurate responses to any PeopleSoft question—right when you need them.

Why Choose the PeopleSoft Learning Assistant?

Perfect for every level of PeopleSoft user—whether you have new employees getting up to speed, experienced users seeking quick reminders, power users exploring advanced features, or support teams aiming to reduce tickets, the PeopleSoft Learning Assistant is designed for your organization.

Instant, Expert-Level Answers

Ask any PeopleSoft question in plain English and get immediate, accurate responses drawn from Mythics' expert training content—like having a PeopleSoft consultant available 24/7.

Seamless Learning Journey

Every answer includes direct links to comprehensive training materials when you want to dive deeper, plus interactive Oracle Guided Learning walkthroughs that guide you step-by-step.

Always Up-To-Date

Built on Mythics' continuously updated training library, so your answers stay current with the latest PeopleSoft features and best practices—no more outdated information.

Zero Implementation Hassle

Ready to use immediately with no complex configurations, lengthy implementations, or IT headaches.

Powered by Proven Expertise

- **Expert content** built by certified PeopleSoft professionals with decades of real-world implementation experience
- **Interactive guidance** via Oracle Guided Learning walkthroughs inside PeopleSoft
- **Dual learning paths** offering both instant answers for quick tasks and comprehensive deep-dive training materials
- **Enterprise-ready security** with data protection and privacy standards
- **Natural language processing** that understands how you naturally ask questions
